### DON'T WAIT

Take Advantage of a Kentucky Citizen's Experience Before It's Too Late.

When the back begins to ache, Don't wait until backache becomes chronic. Till serious kidney troubles develop. Till urinary troubles destroy night's rest.

Mrs. L. B. Taylor, of 810 East Jefferson St., Louisville, Ky., says: "Several years ago I contracted a cold which settled in my kidneys. I suffered a great deal from pains across my back and loins and was also much annoyed by the too frequent action of the kidney secretions, especially at night. I steadily grew worse, began to be annoyed by dizziness and a feeling of languor and depression. I procured Doan's Kidney Pills and felt relief from the first. I continued the treatment and was soon cured. I gave a statement to this effect in 1900 and am glad to confirm same at this time for the cure has proven to be a permanent one."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

It cures coughs and colds perfectly, so do not take chances with some unknown preparation which may contain opiates which causes constipation, a condition that retards recovery from a cold. Ask for Foley's Honey and Tar and refuse any substitute offered. J. H. Orme.
